Pre-K and Kindergarten Readiness Dinner and Presentation

To: Trinity Area School District Parents/Guardians and Children ages 3 – 5 years of age
From: Trinity Area School District Pre-K and Kindergarten Readiness Task Force
What: Dinner and Presentation concerning Pre-K and Kindergarten Readiness
When: April 15, 2019, 6:00 PM – 7:30PM
Where: Trinity High School Cafeteria

The Trinity Area School District cordially invites the Parents/Guardians and children ages 3, 4 and 5 to dinner and a presentation concerning Pre-K and Kindergarten Readiness. Parents and guardians are encouraged to bring their children ages 3, 4 and 5 with them for dinner. Dinner choices include hot dogs, hamburgers, chips, fruit cocktail and cookies. Bottled water will be provided as well. All families will receive materials to assist the students in their respective learning tasks. There will be a drawing to win prizes, including a \$25.00 gift certificate. All students will receive academic materials to use at home with their families.

Representatives from the Blueprints Pre-K and Head Start Pre-K programs will present the importance and benefits of enrolling your student in an approved Pre-K program. Trinity Area School District representatives will present the importance of Kindergarten Readiness. Parents/guardians will participate in Kindergarten classroom simulations to identify the level of expectation for rigor and relevance. Strategies will be shared to assist parents/guardians in the process of preparing their 3 to 5 year olds in the academic and affective realm.

During the presentations the children will participate in supervised activities, which mirror Pre-K and Kindergarten classroom activities. These activities will be supervised by Mrs. Aliveto and members of the Trinity Child Care and Support Services Management CIP Program of Study. Again please consider joining us for dinner while you receive information which helps your children meet or exceed academic readiness.

Please RSVP your intention to attend and number of people attending by April 3, 2019, by either calling Mrs. Krieger at 724-223-2000 ext. 7116 or via e-mail kriegert@trinitypride.org. We look forward to seeing you and helping to set the tone for future success.

Respectfully,

Donald L. Snoke

Donald L. Snoke
