Building and Grounds Meeting called to order at 10:00 a.m. by Sandra Clutter

- Several issues were discussed by Mr. Orr and Mr. Snoke on **Student High School Parking**
 - Total Parking Spaces = 312
 - 116 Seniors issued parking passes
 - 34 Juniors issued parking passes
 - 143 Staff Members assigned parking places
 - 12 more available = 8 set aside for food service and 4 general adult spaces
 - 7 additional spaces clear of the building
 - Total parking spaces at the High School = 312
 - Spaces have not been issued to Sophomores or Freshman
 - Student Parking Tag cost is \$30.00 per year
 - Procedures are followed for issuance of tags – check license- sports affiliation – special events – tutorial needs - discipline
 - FYI – The high school has 30 more spaces on campus than 2010-11 school year
 - Parking “pit” closing was a safety issue
 - Would it be feasible to open the pit for fall and spring
 - Question on Range Resource funding to add sidewalks and lighting – Mrs. Clutter advised since this was such a safety issue with security etc. Range Resource gave permission to re-assign the funding
- **Track Surface**
 - Notification was received that the cheerleaders need padding on the “TRACK” surface of the football field - Mrs. Clutter and Mr. Kuzman stated the surface they use is not concrete
- **Update on Range**
 - Painting completed 9/30/2011
 - Lighting completed 9/30/2011
 - Walls Completed
 - Fixtures installed week of 9/26/2011
 - New Ceiling installed
 - Waiting for vault to arrive

Transportation

- **Cars/Bus Areas**

- Mrs. Clutter expressed great concern with student drop off and pick-up with children weaving in and out of the busses
- Cars driving beside the busses
- Cars entering and exiting parking lot while students are dismissing
- The district is going to look at times for student drop-off and pick-ups and possibly sending out an alert now when the direction has been decided which way to proceed for all buildings

- **Trane Proposal**

- Discussion for energy audit
- Charge associated \$10,000.00 – Dr. Kasunich stated that we could most likely have this fee waived
- We would have a feasibility put together – Act 88- and payback would be based on energy savings

Meeting adjourned by Mrs. Clutter @11:00 a.m.
