IV. Update - Athletic Director/Director of Technology, John Digon ~ **Mr. Digon indicated that everything was fine in the department. He did say that the clerical and inventory duties of the job are increasing. Also, this is the time of the year when PIMS is due as well as athletic reports to the state. He and Mr. Snoke have been working together. Both Mr. Digon and Mr. Snoke stated that the website, schedule star, which the district currently uses, was a wreck and filled with inaccurate information. They are working to update the information.
