

TRINITY AREA SCHOOL DISTRICT

EDUCATION  
COMMITTEE MEETING  
October 5, 2015  
Board Room – Trinity Hall  
5:00PM

Minutes

- I. Call to Order
- II. Girls Rock Science Update – Dr. Lucas discussed the Trinity presence at the Girls Rock Science. The commercial with Shelly Duffy stars THS Teacher Amanda Walk and TASD students, Delaney Elling, Kaci Hott, Natalie Cappelli and Libby Jungo making GAK, a silly putty-like substance. Teachers from the elementary participated as well.
- III. Fab Lab Proposal and Grant Opportunity Joint Venture – Mr. Snoke discussed the acceptance of the LSA Grant funding intended for a joint venture with the IU #1 Fab Lab.
- IV. Moving forward with Agricultural Mechanics/Upgrade Industrial Technologies/STEAM/Robotics – Mr. Snoke discussed the intention to move forward with adding other Vocational Agriculture Courses with various CIP codes. The overall movement is toward procuring funding sources to include STEAM initiatives and robotics.
- V. Purchase of Laser Engraver for Industrial Technology – Based at TMS, capacity to use at THS as well. (Allegheny Educators) – Mr. Higgins made a presentation on the projects created in the Fab Lab and discussed the purchase of the Laser Engraver for use at TMS and THS.
- VI. Public Comment - None
- VII. New Business - None
- VIII. Adjournment
