Trinity's Pride!
The Trinity High School Marching Band assisted Elementary Band Director Mr. Turek with elementary band recruitment. The Marching Band traveled to all 4 elementary schools and presented a special performance, including some Friday night football favorites. Band members demonstrated some of the special characteristics of their instruments, and a few lucky future band members even got to try to play an instrument!

If your child is currently in grades 3-5, they are eligible to be a part of the award-winning Trinity band program in 2016-17! Please contact Mr. Turek (tureki@trinitypride.org) for more information.
On May 3, 2016, five students from Trinity North Elementary, along with their teacher, Mrs. Diederich, competed in a Math 24 tournament at IU#1. Students competing were Eden Williamson, Amber Morgan, Bodie Morgan, Aiden DeWalt and Mackenzie Dicks. Mackenzie came away with a bronze medal while Eden, Amber, Bodie, and Aiden made it to the top 12 semifinal round, receiving a silver medal. Eden progressed to the final round where she earned a gold medal. She will be advancing to the state championship tournament in Harrisburg on June 15th. Here's to a job well done by everyone!
SUPPORT AUTISM!

Help spread Autism Awareness throughout the Trinity Area School District! The leaves for the tree on the t-shirt were created using the students’ thumbprints in the 3rd grade Autistic Support Classroom at Trinity West Elementary School.

A picture of the t-shirt design is shown below and will be printed on a white t-shirt.

Please check out the Hiller Highlights or the Trinity West PTA Facebook page for a colored image of the shirt.

To purchase, please fill in the order form below and return it to Ally Tylka by Friday, May 13th. We’ll accept cash & checks for t-shirt orders. Please make checks payable to: Trinity West PTA.

All proceeds will be used to purchase items and materials for the Autistic Support Classroom.

A.D. Ricci Rich participated in the Pittsburgh Marathon…way to go Mr. Rich!!

Fourth grade students at Trinity North collected canned goods and non-perishable packages for the Greater Washington County Food Bank. The entire school was invited to participate in their community service project. Through a group effort, the donations filled 88 grocery bags. The students weighed each bag and, with the help of parent volunteers, sorted and boxed the 584.2 pounds of canned goods and non-perishable foods packages into 37 boxes. What a wonderful way for our students to help the less fortunate in Washington County.
Middle School teacher, Ms. Spadaro received a MAC grant from McDonald’s to buy supplies and materials for labs and activities specifically dealing with deforestation, overharvesting and reforestation. Mr. Stroupe, a student teacher from W & J arranged for Dr. March to teach students a class on Nature photography. Ms. Spadaro arranged for Dr. Kilgore to come to the class to help plant the tree seedlings that were obtained through the grant.
Several elementary gifted students participated in the 2016 Invention Convention hosted by Carlynton Junior/Senior High School. The students created a new invention or improved an existing idea. Students had to create their invention and also construct a display board for their project. Several students earned awards at this year’s competition!
