

Online Learning Opportunities

Online Learning Opportunities from Partners in Policymaking. Partners in Policymaking offers four free on-line courses for parents and self-advocates including:

- “Partners in Time” – a tutorial on the history of people with disabilities from ancient times until today;
- “Partners in Education” – a discussion on special education options to help parents get the most out of the school system for their kids;
- “Making Your Case” – education on the legislative process and how to effectively communicate with public officials; and
- Partners in Employment: - a career planning class for persons with disabilities, including assistance with resume and portfolio development. For more information go to [<http://www.partnersinpolicymaking.com/>]
